GLOBAL VIRUS PASS

Access Management

Moving Forward Safely with Contactless Check-In

1 **Enter site for work or play safely**

GVP will display virus testing and health background information with the touch of an app.
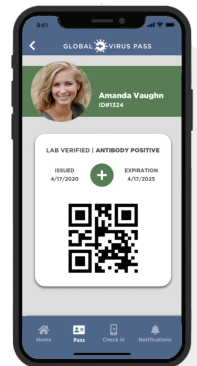

2 **Download GVP App & Register**

Employers, venues and individuals can register in order to keep a safe environment for work or play.
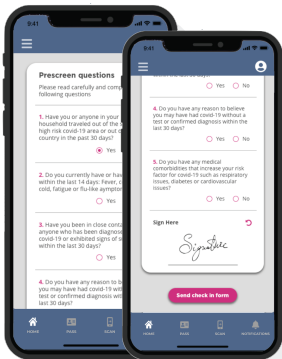

3 **Contactless Check-In**

Scan QR code on-site to safely gain access.

4 **Digitized Health Questionnaire & Temp Check**

Verify health status through health questionnaire and on-site temperature check.

5 **Approve or Reject on-the-Spot**

The GVP manager app allows the host to accept or reject access to the site. All data is stored securely on the GPV cloud.
